

## PUBLIC INFORMATIONAL TOWN MEETING NOTICE

**Permit Overview:** Atlas BX America Corporation has applied to the Tennessee Division of Air Pollution Control (TDAPC) for an air contaminant permit to construct a Lead-Acid Battery Manufacturing Facility to be located in Clarksville on International Boulevard, approximately one mile east from the intersection of International Boulevard and Dunlop Lane.

This operation would consist of Grid Casting, Lead Oxide Manufacturing, Mixing and Pasting, a Three-process Operation (Assembly) and other ancillary processes. Fabric Filters, Wet Scrubbers, and Mist Eliminators would be used as pollution control devices for various processes. Regulated air contaminants would be emitted by this source. Mr. G. Forte is the assigned TDAPC permit writer.

Access to the permit application and related materials are available for public review via TDEC's dataviewer at the following webpage: [http://environment-online.tn.gov:8080/pls/enf\\_reports/f?p=19031:34051::NO:34051:P34051\\_PERMIT\\_ID:68092](http://environment-online.tn.gov:8080/pls/enf_reports/f?p=19031:34051::NO:34051:P34051_PERMIT_ID:68092)

**Meeting Details:** Tennessee Department of Environment and Conservation's (TDEC) official public comment period to provide comments regarding the proposed project has already closed. However, based on subsequent public interest received by the TDAPC, a Town Meeting will be held by TDAPC, details below:

- **Date:** September 26, 2018
- **Time:** 6pm
- **Location:** Clarksville Public Library 350 Pageant Ln. Ste 501, Clarksville, TN 37040
- **Meeting Room:** Large Conference Room immediately to the right upon entrance
- **Format:** This meeting will provide an overview of the technical, air pollution-related issues concerning the permitting of the Battery Manufacturing Facility. Meeting will be facilitated by TDEC staff with the opportunity for the public to ask technical staff from TDEC and TDAPC questions concerning the proposed project.

**Meeting Accommodations:** Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, to the Tennessee Department of Environment and Conservation ADA Coordinator, William R. Snodgrass Tennessee Tower, 2nd Floor, 312 Rosa L. Parks Avenue, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

If it is hard for you to read, speak, or understand English, TDEC may be able to provide translation or interpretation services free of charge. Please contact Air Pollution Control at (615) 532-0554 or more information.

TDEC is an Equal Employment Opportunity/Affirmative Action (EEO/AA) employer. TDEC does not unlawfully discriminate on any basis prohibited by applicable law in any of its programs, services or activities.

EEO/AA/ADAAA inquiries or complaints may be directed to the ADAAA Coordinator, HR Division, at 615-532-0200. Hearing impaired callers may use the Tennessee Relay Service 800-848-0298.

If you would like to receive notices like this directly, contact the Public Participation Officer in APC's Central Office for a Mailing List Request form at [Air.Pollution.Control@tn.gov](mailto:Air.Pollution.Control@tn.gov) or call (615) 532-0554.
